LONG BIO:

Ruth Kudzi is a qualified Success coach, speaker and blogger for start up and new entrepreneurs who want build and scale their businesses. She works with professional women on business strategy, confidence and mindset on a one to one basis and through group programs, workshops, training and online courses.

A multiple business owner, Ruth built her first six figure business on maternity leave. She started her first Facebook group in September 2016 that now has nearly 3000 members, with approx 10% of these having become paying customers. She helps her clients develop confidence, leave their jobs and hit record breaking months. With many earning more money now than in their previous full time jobs.

Ruth's passion is empowering other women to start up and develop their dream businesses. Her studies and 10 + years of leadership and management experience has been invaluable in gaining credibility and developing the people she works with. Which is why she is obsessed with personal development and has a BA in Psychology & Management Studies, a MA in Psychology, a PGCE in Business Economics and a PGCERT in Coaching alongside lots of other qualifications.

She has been featured in multiple national and international publications such as, The Guardian, BBC, The Huffington Post and Women and Home to name a few.
